

VISWAS YADAV

TRADING PERFORMANCE COACHING

1:1 session

PERFORMANCE IS BUILT THROUGH
PROCESS, NOT PREDICTION.
TRAINED 18,000+ TRADERS

DEEP AUDIT

60 Minutes | ₹25,000

WHO THIS IS FOR: This session is designed for serious traders seeking to enhance their performance through structured guidance. Ideal for individuals who are ready to invest in their trading journey and achieve consistent results in the markets while honing their skills with a professional coach.

WHAT YOU RECEIVE: Participants will gain in-depth insights into their trading strategies, personalized feedback, and actionable steps for improvement. We will cover performance metrics and execution analysis, ensuring a clear pathway to elevate your trading game. Experience a transformative approach to trading success through expert coaching.

TRANSFORM YOUR TRADING

Performance improves when execution
becomes structured, not emotional.
